

Acton Boxborough Regional Parent Teacher Student Organization Grant Form for the R.J. Grey Junior High School

Whereas the Acton Boxborough Regional Parent Teacher Student Organization (ABRPTSO) would like to provide support to the R.J. Grey Junior High each school year, and if the ABRPTSO has sufficient funds, the ABRPTSO invites the Junior High administration to submit a request for grant monies for this purpose.

The ABRPTSO requests that the grant form below be submitted with four weeks' notice per project or need for any amount \$2499 or under. For any amount of \$2500 or over, the form must be submitted 8 weeks in advance. Disbursement of grant monies in any given grant cycle may not exceed \$4750 in total. The ABRPTSO requests that the funds be used in conjunction with our stated mission; per the ABRPTSO by-laws the organization's intent is to "Improve, provide, and maintain communication among parents, faculty, students, administrators, school committee, and community members, and to provide a framework for promoting excellence at both schools; to provide educational and informational programs; to encourage volunteers in the schools; to foster fundraising activities; and to serve the schools....". The ABRPTSO asks that the grant be used for purposes that would benefit the widest group of students possible and that the Junior High publicize the ABRPTSO's support, which is in turn consistent with our mission of communication. If the Junior High would like to pursue a long term project with grant monies over several grant cycles, that may be discussed with the ABRPTSO chairs.*

The ABRPTSO requests that the Junior High administration confirm that the grant monies were spent as indicated in the grant application and within the current grant cycle of September 1, 2018 to June 30, 2019. Please provide supporting documentation by invoice, purchase order or administration letter of the used funds. If in any year the Junior High does not use the entire amount granted, the ABRPTSO requires that those unused funds be returned.

Thank you for your participation in this grant program.
